Spirit Week

The week leading up to Homecoming is filled with loads of school spirit. Each day has its own theme. This year we had Country day, Super Hero day, Tie-dye day, class wear day, and HC spirit day. Seniors had their own themes for some of the days. Prep day and Gender Bender day were the two themes the seniors elected to participate in on their own.

★ In an unexpected matchup of two wild card teams, the San Francisco Giants defeated the Kansas City Royals in seven games to win the 2014 World Series. Madison Bumgarner pitched five shutout relief innings on two days' rest in the final game to clinch it for the Giants.

★ NASA took its first steps toward Mars with the initial launch of the Orion spacecraft. Orion, which was designed for human exploration of the moon, asteroids and Mars, took a test flight in December. It was hoped manned missions with Orion could take place by 2021.

★ The Marvel universe's first cinematic crossover, "Guardians of the Galaxy," introduced a new group of heroes to the superhero space characters out there in the world.

★ Malala Yousafzai, 17, of Pakistan, received the Nobel Peace Prize for her work supporting the education of women in her country. Kailash Satyarthi of India also received the Peace Prize for his work in freeing children from forced labor. Both went about their work at great risk to their lives.

★ NBA superstar LeBron James shocked many by choosing to return to his hometown team, the Cleveland Cavaliers, after becoming a free agent. James began his career with seven seasons in Cleveland, before leaving to lead the Miami Heat to two NBA titles in four years.
